EPISCOPAL HIGH SCHOOL MEET

Richmond Indoor Meet Encourages Scholastic Athletics in Virginia.

MEET TAKES PLACE IN MAY
The Contestants to Be Divided Into Classes So As to Take in All Schools.

EPISCOPAL HIGH SCHOOL, ALEXANDRIA, VA., February 17.—This announcement made some weeks ago by the management of the Episcopal High School track team that the second annual track meet would be held on May 5, at that institution, aroused much interest among the schools of Virginia, Maryland and the District of Columbia, to whom invitations to participate have been sent and in their letters of acceptance, great pleasure was expressed in many cases that the games would be repeated and that the E. H. S. would not permit the lapse of custom so pleasantly inaugurated. The prospect of a successful meet are very good and many schools have already signified their intention of taking part. An equally important assurance of the success of the meet is the fact that with a few minor exceptions the same set of officials has been consulted to act as did last year. The following is the list of officers, containing many names well-known in the athletic world, who have already stated their willingness to serve:

Referee, Mr. Charles E. Hammett, Judge, Dr. C. Logan Owens, Dr. William A. Lambeth, Dr. George W. Orton, Dr. J. A. Kelly, Messrs. R. E. Lee, Jr., W. H. Foley, W. G. Stuart, W. P. Bowie, W. H. Randolph, Philip T. White, Sam Steinhilber, Starter, Mr. Bernard J. Webers, time keepers, Captain William C. Brown (headmaster), J. S. Walker, Mayo C. Brown, John Mason Brown; scored, Mr. J. M. Daniel, Jr.; clerks of course, Messrs. A. R. Hoxton and C. J. Faulkner.

As at most track meets, interest is beginning to center in the relay race in which the principal schools of the neighborhood are expected to compete. This interest is increased this year by the two indoor relay races, one at the recent meet in Richmond, won by Woodberry Forest and the other at the indoor meet in Washington, still to be run at time of writing.

Invitations have been sent out by the managers of the Episcopal High School track meet, to the following schools in Maryland, Virginia and the District, and it is hoped that all or nearly all will compete:

Annapolis High School, Army and Navy Preparatory, Annapolis, Md.; Annapolis City College, Baltimore County School, Baltimore; Politechnic Institute, Bel Air Academy, Bethel Military Academy, Biles Electrical School, Boys' Latin School, Cecil County High School, Central High School, Charlottesville High School, Chesapeake High School, Danville High School, Danville Military Institute, Delaham Preparatory School, Eastern High School, Emerson Institute, Fishburn's Military School, Forest Hill School, Frederick High School, Frederickburg College, Friends School, Georgetown University, Gloucester Academy, Gonzaga College, Graham College, Hagerstown High School, Henry School (8th grade), Hoke Military Academy, Jacob Tome Institute, Locust Dale Academy, Lynchburg High School, McDonough School, McGuire School, Marlborough School, Norfolk School, Norfolk Academy, Norfolk High School, Portsmouth High School, Preston's School, Randolph Macon Academy (2), Richmond Academy, Richmond High School, Roanoke High School, Rock Hill College, Rockville College, St. John's College, Shenandoah Valley Academy, Staunton High School, Staunton Military Academy, Technical High School, Washington School for Boys, Webster School, Western High School, White Marsh School, Winchester High School, Woodberry Forest High School, Of the Virginia schools above enumerated it is confidently expected that besides Woodberry, mentioned above, Richmond Academy, Miller School, Danville Military Institute, Staunton Military Academy and Locust Dale Academy will send strong teams, though possibly as yet a trifle inexperienced.

From Maryland and the District, strong teams are looked for from Central High School and Jacob Tome Institute, respectively, winner and second in last year's meet, as well as from Georgetown Preparatory, Washington School for Boys, Western High School, Baltimore City College, Boys' Latin School, Baltimore Polytechnic School, Army and Navy Preparatory, St. John's College and the Baltimore Country School.

me to-day that he had signed a contract to play with the coming season. You have secured one of the fastest youngsters in the East. He first began playing professional ball in the year 1904 with the Milford (Ind.) Del. Club. I secured him for the Colonial A. A., the strongest semi-professional team ever gotten together in the State of Maryland. (We having lost but four games last season.) He led the team in batting with a per centage of 42, and was second in base-runnings. His seasonal fielding and timely batting pulled us out winners in more than one hard-fought game. The Baltimore Eastern League Club made him a very high offer, but he declined it. I never had the slightest trouble with him. He is a good player, and if more young men would stay away from the booze, as he does, they would be more successful. I wish him luck, and while I hate to lose him, I am glad to know that his playing has put him in a position to better himself. I am confident he will make a success, and his gentlemanly behavior will make friends for him wherever he may go.

FRED REPPMEYER WILL PLEASE THE FANS

Fred Reppmeyer, the newly-signed short-stop for the Richmond baseball team next season, will come here with a recommendation that sounds good to the fans. Manager Shaffer is particularly pleased with the record of the infielder.

Here is a letter that has been received by Mr. Shaffer from Charles Stevenson, manager of the Colonial Athletic Association, of Baltimore, and it speaks for itself:

Baltimore, February 3, 1906.
The Richmond Baseball Club,
Richmond, Va.

Gentlemen,—Mr. Reppmeyer informed

didn't there would be no tinkle of "expense money" for him.

The first round ended without Abel putting a glove on the old man, and Abel's face had taken on a sunset glow.

By this time the referee came to the conclusion that Abel could take care of himself so far as Abel was concerned, and told the delegate from South Clark street that he could cut loose anything he had. But he didn't have anything to interest Abel, and the kind-hearted referee's injunction was entirely unnecessary.

DECISION ELATES RACING DEVOTEES

(By Associated Press.)

MEMPHIS, TENN., February 17.—Local racing devotees were greatly elated over the decision of the Supreme Court, declaring the anti-race act unconstitutional. Secretary McFarland, of Memphis Jockey Club, announced that the annual spring meeting will be held here. The secretary stated that the Tennessee derby, the Oaks, Montgomery handicap and Peabody handicap have all been literally subscribed to.

Many stables are wintering here and will take part in the spring meeting.

Mueller's Molasses Grains FOR Stable and Dairy

Is now considered one of the best feeds for general purposes on the market.

It is not only a very nutritious feed and very palatable, but it is also very economical—costing about the same as other feeds; but being much richer in protein it requires less, and yields more.

Note the comparison in analysis—protein and fat:

Mueller's Molasses Feed, 22.54 per cent. to 26.88 per cent.
Oats 16.76 per cent.
Corn 15.8 per cent.

Why not test the matter? No trouble to get it—no trouble to feed it, and certainly no trouble to see the good results.

Send for sample, and booklet giving full particulars.

Sold by feed dealers generally.

RACE TRACK BETTING BILL IS UNCONSTITUTIONAL

(By Associated Press.)

NASHVILLE, TENN., February 17.—The Supreme Court to-day declared the Rice-Ligon anti-race track betting bill unconstitutional. If there are no intervening steps by persons favoring the bill, the decision means that horse-racing will be resumed in Tennessee this spring.
